To whom this may concern,

We have been tenants of Dunston Business Village now for over two months. We are writing this letter to confirm our happiness and appreciation of the site. The site is a credit to the owners and we are always more than happy to bring our clients and suppliers back to Dunston Business Village.

The service we have received has been second to none. We would whole heartedly endorse this site and fully recommend anyone contemplating an office move to consider Dunston Business Village and the large range of services that they offer.

Yours faithfully
